COVER SPIKE FOR SAMSUNG 19500 GALAXY S4

Description

"mean and angry" style is pragmatic to this cover-range. The studs that at all times have characterized the punk style, go back to the forefront both in clothes and in wear accessories bring a rebellious note in the look of its users. With a gold or silver color diamond-shaped, the Spyke cover renovates your smartphone into a device that highlights your style and your glaring glamor.

Technical

- Material cover: PC (Polycarbonate is a polymer with high physical properties, mechanical, technological, as well as optical and thermal properties.)
